Dear Bob:

Perfection Manufacturing Company
St. Louis, Missouri

Enclosed is the original copy for signature of the Consent Agreement and Final Order for the above-named case. Please note the change I made to paragraph 14. It is not what you suggested, but I can live with it if you can. I changed paragraph 18 to reflect your thoughts. Those changes seem to make the Order more clear. If there are any problems, let me know. I can make the changes and send you another original if it is anything significant. Also, the reinspection to determine compliance is scheduled for the week of September 20, 1982.

Sincerely,

Cheryle Micinski
